PURDUE PHARMA (IMBRIUM TX SUBSIDIARY)

Manager, Finance & Business Development

Stamford, CT

Oct 2021 - Mar 2025

Financial Modeling & Valuation

- Led financial evaluation and deal terms structuring of Board-approved transaction of ~\$500M
- Managed equity and royalty-bearing portfolio firms, and delivered sell/hold recommendations to CFO
- Created new financial model templates applied in both internal pipeline and external target valuation: the improved models have been deployed in the valuation of all new targets, including for over 20 programs across clinical development cycle

Business Development & Partnerships

- Co-led partnering efforts at key industry conferences (J.P. Morgan, BIO Int'l, Rare Disease Conference, etc.); represented firm on the LP AdCom of Vida Ventures Fund I; led collaborations with royalty investors and late-stage trial financing firms
- Helped to identify and run initial assessments on 35+ targets across neuropsychiatry, I&I, and ophthalmology and co-led diligence and deal terms structuring for five assets in close partnership with commercial, R&D, CMC, IP, and colleagues
- Worked closely with commercial colleagues to establish revenue and S&P expense forecasts for high-priority assets, including primary market research and KOL interviews, as well as competitor analysis and international pricing research efforts

Strategic Projects

- Partnered with strategy and commercial leadership to establish new criteria used for company-wide asset in-licensing effort; led the creation of a proprietary tool that merges asset-level information from multiple databases to accelerate screening efforts
- Authored the company's inaugural AI memo, focusing on pharmaceutical industry applications and introduced new AI tools to maximize efficiency in a corporate development and primary market research
- Conducted thorough review of licensing contract and identified an overlooked receivable from partner; initiated recovery actions with management to reclaim up to \$5.5M, delivering financial returns to the Estate benefiting opioid epidemic victims
