## EXPERIENCE

### Morgan Stanley

*Fixed Income Summer Analyst*

**New York, NY**

*June 2025 – Aug. 2025*

- Rotated across the Leveraged Finance and Commodities trading desks and across the Secured Lending desks
- Pitched a natural gas trade that returned \$1.7MM (\$5MM notional) over 3 weeks and a high-yield bond trade that returned \$600K over a month (\$10MM notional)
- Developed a GLLC presentation for a recent BNPL consumer ABS deal

### RLHA Investment Partners

*Investment Analyst Intern*

**Newton, MA**

*June 2024 – May 2025*

- Summer and multi-semester intern for a family office that spun out of a large Boston multi-strategy hedge fund
- Developed financial models influencing investment decisions across venture capital, SPACs, IPOs, commodities, real estate, CEF arbitrage, and short-activist funds, generating high risk-adjusted returns

### MIT Economics Department, Prof. Sarah Ellison Team

*Undergraduate Researcher*

**Cambridge, MA**

*May 2023 – Sep. 2023*

- Conducted research examining the effects of short-term rental properties on Airbnb and Vrbo on real estate prices and tourism in New England with a focus on hedonic and regression analysis
- Authored four comprehensive research reports regarding topics within our study space and analyzed data using Stata to assist in its efficiency and reliability

### Israel Defense Force (IDF) – Staff Sgt.

*Special Projects, Central Command*

**Jerusalem, Israel**

*Dec. 2019 – Aug. 2022*

- Worked on cutting-edge technology development projects and presented results to IDF's General Staff and to senior foreign and domestic government leaders
- Coordinated large-scale training exercises for the units under our Command and consulted officers on how to improve and accelerate implementation of technological capacities in the field

### ScoreMoore Tutoring

*Partner, Senior Instructor*

**Monroe Township, NJ**

*Feb. 2020 – Present*

- Taught over 250 students from 14 different countries for the SAT and ACT in group and private sessions
- Developed an advanced system of SAT studying using Airtable in conjunction with the space-repetition software Anki, yielding consistent score increases of hundreds of points on the test
- Recruited diverse clientele, formulated business plans, and built analytical progress reports for students ensuring their maximum success and satisfaction

### Israel Association of Baseball (IAB)

*National Team Athlete*

**Petah Tikva, Israel**

*Apr. 2013 – Present*

- Competed as a core member of Israel's national baseball team in 14 international tournaments, winning Most Valuable Player in two of the last three competitions
- Youngest player ever named to extended roster of Israel Olympic national baseball team and the youngest player on the active national team roster to compete in the European Championships in October 2023
