### EXPERIENCES

---

#### **Tiny Tots Health Initiative**

*Founder*

Detroit, MI

March 2019-Present

- Founded a 501(c)(3) nonprofit advancing pediatric health literacy in underserved communities.
- Designed and distributed multilingual flashcards, guides, and storybooks (*Terry Talks to the Tooth Fairy*).
- Partnered with 10+ clinics in 10+ states, reaching hundreds of children.
- Mobilized and trained 25+ volunteers nationwide; secured Stanford Haas Center funding.
- Launched “Healthy Box” initiative providing literacy tools and oral health kits to 50+ families.

#### **Stanford Arab American Student Association**

*Financial Officer*

Stanford, CA

Sep 2022-Present

- Manage \$12,000 annual budget, overseeing cultural events and community advocacy.
- Coordinated campus partnerships and funding proposals to expand Arab American student programming.
- Strengthened outreach by increasing event attendance by 30% in the first year.

#### **Scrubs Against The Firearm Epidemic**

*Volunteer*

Stanford, CA

Sep 2023-Present

- Spearheaded launch of Stanford’s first undergraduate SAFE chapter, engaging 50+ students.
- Contributed to the national SAFE map project, standardizing Salesforce data on 100+ school chapters.
- Partnered with local police departments to expand firearm safety lock distribution.

#### **Stanford Chariot Program**

*Volunteer*

Stanford, CA

Sep 2024-Present

- Support pediatric patients during procedures using immersive VR to reduce fear and anxiety.
- Collaborate with care teams to create calming environments, improving patient comfort.

#### **Stanford Splash**

*Instructor*

Stanford, CA

Sep 2022-Present

- Designed and taught interactive classes on public health literacy for middle and high school students.
- Reached 30+ youth per class, making complex health topics engaging and accessible.

## AWARDS
