LEADERSHIP EXPERIENCES:

National Honor Society - President

Hood River, OR | April 2024-May 2025

- Cultivated pillars of scholarship, leadership, service, and character in a group of about 100 students.
- Organized and directed several community service projects for the club, such as canned food drives and engagement with local elders to reduce loneliness.
- Administered speeches to hundreds of students, families, and staff members.

Hood River County Prevention Department - Volunteer

Hood River, OR | Dec 2021-Aug 2025

- Fostered connections in the community of Hood River through engagement with suicide and drug prevention advocacy.
- Taught a class to fellow high schoolers on proper administration of anti-overdose medication.

River of Life Assembly of God - Volunteer, Member

Hood River, OR | Jul 2019-Aug 2025

- Connected with children in the church to develop them physically, mentally, and spiritually.
- Assisted various children's ministry initiatives and increased engagement of the youth group with the children.

Emerging Rural Leaders II Program - Attendee

Chicago, IL | Jul 2024

- Networked with national and international students, developed leadership skills through course exercises.

National Youth Leadership Forum: Engineering - Attendee

Atlanta, GA | Jul 2023

- Collaborated with students from across the nation to design a product that satisfies a United Nations Sustainable Development Goal.
-

PROJECTS:

HRVHS Courtyard Renewal | Leadership, Community Engagement, Fundraising

Jan-June 2025

- Surveyed a school body of 1,200+ students and staff to assess courtyard needs.
- Applied for, and received, a \$1,000 National Honor Society Student Service grant.
- Fundraised and allocated over \$1,500 from the community towards renovating the courtyard, gutting the landscaping, and implementing an irrigation system.

Hood River County Opioid Rescue Kits | Advocacy, Attention to Detail, Dependability

Jan-Oct 2024

- Assembled over 1,000 opioid rescue kits to be dispersed throughout the county.
 - Collaborated with establishments to place kits where they would be most accessible.
-
