EDUCATION

Princeton University, Princeton, NJ

Expected May 2027

A.B. Candidate; Economics

Relevant Coursework: Econometrics, Statistics for Economics, Microeconomics, Macroeconomics, Calculus 3, Calculus I

WORK EXPERIENCE

Renewable Energy Brokerage Advisory (REBA), Princeton, NJ – Summer Intern

June 2025 – August 2025

- Built financial models using historical market data to forecast competitive bid strike prices for Connecticut's interconnection market, improving pricing strategy for solar energy procurement deals
- Reviewed and evaluated landlord-facing pitch decks to identify opportunities for improvement in messaging, structure, and value proposition
- Monitored policy changes, competitor activity, and deal flow in the solar energy sector; synthesized findings into a weekly internal newsletter for team-wide distribution

Cord Meyer Development Company, Queens, New York – Commercial Real Estate Intern

June 2024 – August 2024

- Conducted extensive property research throughout Queens, assisting in identifying potential acquisition opportunities
- Updated and maintained a comprehensive company-wide database for 225 Queens properties in the pre-development and construction stages, improving information accuracy

First National Bank of Omaha (FNBO), Omaha, Nebraska – Credit Card Partnership Intern

May 2023 – August 2023

- Constructed a competitive analysis database and presented it to the Retail, Travel, and Entertainment Partnerships Team manager for use to determine the future modifications for FNBO's 30+ credit card offers
- Consulted with competing store managers to acquire credit card offers
- Interviewed employees in various departments around the bank to better understand how the FNBO works in specialized areas, but ultimately as one
- Created a formal business presentation with fellow interns and presented it to FNBO executives

LEADERSHIP AND SERVICE

JPALS Mentor, Princeton Varsity Club – Johnson Park Elementary, Princeton, NJ

April 2024 – Present

- Led biweekly one-on-one mentorship with a 5th-grade student, supporting growth in math, reading, and classroom engagement through personalized academic coaching
- Demonstrated leadership and a commitment to community impact by fostering trust, promoting educational equity, and serving as a positive role model in an underserved school setting

Operation Others – Contributor

December 2021, December 2022

- Provided 57 families with food for the holidays
- Compiled boxes of food for delivery to underprivileged families around the Omaha area
