RELEVANT EXPERIENCE

Dartmouth Economic Research Scholars, Hanover, NH

March 2025–Present

Research Scholar, James O. Freedman Presidential Scholarship

- Researched establishment-level technology sophistication; validated an LLM-generated 1–5 data collection scale sent to 20,000+ firms worldwide
- Ran descriptive analyses and produced visualizations for a dataset of 20,000+ observations, examining relationships between technology adoption gaps and macro indicators (e.g., GDP per capita) in Stata
- Prepared 8 figures for and edited a World Bank–NBER working paper; formatted the paper in LaTeX

Harken Capital Securities (fund placement), Boston, MA (Remote)

February 2025–May 2025

Analyst Intern

- Reviewed and distilled offering materials of 10 PE/VC funds; employed a comparative scorecard for team quality, strategy, track record, and value-add
- Presented 3 general partner (GP) evaluation briefs to co-founder and used them as a basis for GP client selection
- Researched the distributions landscape of the private equity industry and the growing appeal of smaller funds

LEADERSHIP & ACTIVITIES

Mission of Hope (nonprofit), Jarabacoa, La Vega, Dominican Republic

September 2025–Present

Intern

- Serve as the sole lead for 10–30-person volunteer teams from the U.S., working in local villages on projects focused on food security, education, and medical care
- Delegate tasks, coordinate logistics, and align with local partners to meet needs across 14 communities

Dartmouth Apologia, Hanover, NH

September 2023–Present

Managing Editor

- Wrote cover article for the spring 2024 issue and coached 4 writers for the fall 2024 issue; led 10-week training program for 9 editors
- Spearheaded production from drafting to publication of 3 50+–page, semiannual journal issues; coordinated strategy summit with other Augustine Collective publications

Dartmouth Brovertones (a cappella group), Hanover, NH

September 2023–Present

Business Manager

- Coordinate relations with Dartmouth's Student Organizations Council; manage over \$10,000 in group funds

Rescue Pole, Hanover, NH

March 2024–June 2024

Co-Founder and Treasurer

- Modeled and prototyped an emergency trekking pole; executed stress and compression tests and user studies (15+ interviews) to iterate the design in SolidWorks
- Secured \$1,250 startup grant (1 of 20 teams) based on usability and technical merit; managed budget and vendor sourcing

Camp Brookwoods and Camp Deer Run, Alton, NH

June 2024–August 2024

Camp Counselor

- Led daily Bible analysis and fostered discourse; designed lesson plans for key motor and reasoning skill development

Black Rock Church, Fairfield, CT

June 2023–August 2023

Camp Counselor

- Served as a mentor and coach for 60 boys and girls aged 10–12, teaching skills in sports, art, and spiritual dialogue
