EXPERIENCE

Student Federal Credit Union | *General Ledger/Human Resources*, Philadelphia, PA

Sep 2024 – Present

- Served as a front-office teller at the Ivy League's only student-run credit union, currently managing \$6,000,000
- Maintained and reconciled the general ledger to ensure accurate financial reporting and compliance
- Managed the spring recruitment cycle by evaluating applications and conducting interviews
- Collaborated with a small team to improve the non-profit's high-yield alum savings account program

StudentBrains Consulting | *Analyst and Consultant*, Philadelphia, PA

Sep 2025 – Present

- Planned and executed a technical pitch competition for a leading HR and hiring tech startup
- Worked with a team of five to research the competitive ATS tech landscape and propose an optimal course of action for our founder client

Wharton International Business and Economics Club | *Latin America Committee*, Philadelphia, PA

Oct-Dec 2024

- Collaborated with a small team to source and analyze companies in Latin America, which helped identify potential investments for our shared portfolio
- Developed and presented PowerPoint pitch decks to members from other global committees

Foundation for Teaching Economics | *Program Coordinator*, various locations

Jun – Aug 2025

- Coordinated and facilitated leadership activities and economics lessons for 50 talented high school students across three campuses, collaborating with a team of five coordinators to deliver impactful lessons
- Supported program logistics and student engagement, fostering a dynamic learning environment that encouraged both academic growth and leadership development among participants

LEADERSHIP

Penn Jewish Undergraduate Business Association | *Treasurer*, Philadelphia, PA

Dec 2024 – Present

- Manage the organization's finances, including budgeting and expense tracking
- Collaborate with the board to allocate funds for events and initiatives

The Pennsylvania Post | *Business Generalist*, Philadelphia, PA

Sep 2024 – Present

- Pursue funding opportunities for the student-run news publication
- Develop marketing strategies and analyze data for growth
