Objective

Motivated Civil Engineering major with a strong academic foundation, leadership experience, and a commitment to public service. Seeking an entry-level position in civil engineering or a related field where I can apply my technical skills, leadership abilities, and Air Force training to contribute to innovative infrastructure projects or public policy initiatives.

Education

Cornell University, Ithaca, NY

Bachelor of Science in Civil Engineering, Expected May 2027

GPA: 2.8

Relevant Coursework: Structural Analysis, Transportation Engineering, Environmental Engineering, Geotechnical Engineering

Classics Academy High School, Wesley Chapel, NC

Graduated May 2023, GPA: 4.0

SAT Score: 1540

Leadership Experience

Managing Editor, *The Cornell Review*, Cornell University

May 2024 – Present

Oversee editorial operations, manage a team of 15 writers, and ensure the timely publication of articles.

Coordinate with university administration as well as TFAS/ISI to maintain journalistic integrity and funding. Increased the number of writers by 200% over the period of one year.

Treasurer, Cornell Republicans, Cornell University

May 2023 – Present

Manage a \$60,000 annual budget, allocating funds for events, speakers, and outreach initiatives.

Lead campus-wide speaker event. Set the budget and played a critical role in the presentation for a nationally renowned speaker.

Recently elected Executive VP for AY25-26.

Streamlined financial reporting processes, developed models to optimize return on investment for money spent..

Oversaw fundraising events, raising more than \$20,000 for club operations.

Air Force ROTC, Cornell University

September 2023 – Present

Serve in leadership roles within the cadet wing, overseeing training and mentorship of 50+ cadets.

Develop strategic planning and communication skills through simulated mission exercises and team-building activities.

Recognized for excellence in leadership and commitment to Air Force values.

Professional Experience

Certified Emergency Medical Technician (EMT), Ark Encounter Theme Park. Williamstown, Kentucky

June 2024 – August 2024

- Largest attraction in Kentucky. Provided emergency medical care for employees and guests in high-pressure environments.
- Collaborated with paramedics and hospital staff to ensure seamless patient handoff and care continuity. Maintained detailed patient records and adhered to state and federal medical protocols.

Line Cook, Rosewood Restaurant. Bellingham, Massachusetts

April 2022 – June 2024

- Collaborated in preparing food with a dedicated team in a fast-paced work environment. Assisted in training new employees.
