69 Brown St, Box 9619 | Providence, RI 02912 | Phone: (401) 632-2507 | E-Mail: maksym\_temnosagatyi@brown.edu

Quantitative policy and strategy analyst with experience in M&A, crisis-era public finance, and multilateral diplomacy.

## EDUCATION

**Brown University**, *B.A. Economics (Business) & B.A. International and Public Affairs (Security)*, Providence, RI | **Expected Graduation May 2026**

## WORK EXPERIENCE

**Minerva Intelligence (YC X25)**, *Mergers & Acquisitions Analyst Intern (Remote)*, San Francisco, CA | 09/25 – 12/25

- Executed comprehensive buy-side due diligence on 100+ CPA and accounting firms across the United States and Canada.
- Identified and screened acquisition targets; developed investment theses, pitch decks, and valuation materials.
- Supported transaction structuring, valuation modeling, purchase price negotiations, and earn-out frameworks.
- Successfully closed four acquisitions, coordinating cross-functional stakeholders through diligence, negotiation, and execution phases to ensure timely and strategic deal completion.

**Ministry of Finance of Ukraine – Directorate of Strategic Planning**, *Analyst Intern*, Kyiv, Ukraine | 03/25 – 08/25

- Built a GDP proxy index using high-frequency and conventional data across 44 quarters, reducing forecasting error by 40% and informing crisis-era resource allocation.
- Analyzed import tax data across 20 sectors to identify fiscal optimization opportunities.
- Authored 7 policy briefs on import taxation, linking tariff policy to investment flows and wartime economics.
- Presented findings in weekly directorate meetings, informing senior-level fiscal strategy.

**Brown University School of Public Health**, *Project Assistant*, Providence, RI | 10/24 – 02/25

- Supported strategy for an AI-driven mental health platform targeting 50,000+ conflict-affected Ukrainians.
- Conducted market analysis of mental health services in 10+ conflict zones, informing rollout plan.
- Coordinated cross-functional teams (engineers, clinicians, policymakers) to ensure regulatory compliance and market readiness in Ukraine.

**Representation of Ukraine to the Council of Europe**, *Legislative/Diplomatic Relations Intern*, Strasbourg, France | 05/24 – 07/24

- Compiled and analyzed 250+ suspicious transaction reports, 70+ asset freezes, and 40+ prosecutions to strengthen Ukraine's AML/CFT risk assessment.
- Researched illicit Starlink supply chains across 5 countries; co-drafted amendment disrupting rebranding networks and misuse.
- Authored the 25-page official report on the Council's parliamentary session, serving as the sole reference for Ukraine's Foreign Minister and Prime Minister.
- Supported Ambassador Borys Tarasyuk at 2 Cabinet of Ministers meetings and 1 Ambassadors' Retreat, the Council's highest-level diplomatic engagements.

**Rhode Island State Government**, *Policy Intern*, Providence, RI | 06/23 – 07/23

- Evaluated Governor's \$13.7B budget, highlighting trade-offs in healthcare, education, and infrastructure.
- Modeled costs of universal pre-K expansion (1,200+ classrooms, 1,800 teachers, \$250M in renovations over 10+ years).
- Produced 20+ in-depth reports on Senate and House Bills, informing legislative decision-making processes.
- Advised the State Refugee Coordinator on support measures for 2,000+ Ukrainian refugees in Rhode Island.

## LEADERSHIP & ACTIVITIES

- Executive Board Member, Brown Grappling & MMA (budgeting, operations, team leadership)
- Advisor, Brown Alliance for Ukraine (policy and strategic guidance)
