## WORK EXPERIENCE

### ARMY CYBER INSTITUTE

JUL – AUG 2023

Paid research intern with the Army Cyber Institute at West Point New York through the Army Educational Outreach program (AEOP). Evaluating the security differences of DoD home routers, by recording lab data, working with cadets and faculty, and performing basic coding tasks.

### THE THAYER HOTEL

2020 – PRESENT

Work with the culinary team in the kitchen as the Sous Line Cook making sauces, developing presentation, plating for private event dinners, and prepping salad. Continue to work while on breaks from college.

---

## ACTIVITIES

### JUNGLE OPERATIONS TRAINING COURSE (JOTC)

JUNE 2025

Selected as the only cadet in the 2nd ROTC brigade (roughly 3500 cadets) to attend JOTC at Schofield Barracks in Hawaii. Learned basic mountaineering, waterborne operations, survival skills, and battlefield tactics in a jungle environment.

### HARVARD GOVERNANCE LAB

FEB – MAY 2025

Selected as one of eight groups to pursue entrepreneurial research focused on driving positive societal change and engage in a pitch competition at Harvard's Institute of Politics. My partner and I researched and began developing an app to increase chronically ill patients' medication adherence. This process involved meeting with various academics and professionals and learning basic programming skills.

### THE SABALUSKI AIR ASSAULT SCHOOL

JUNE 2025

Learned and practiced the basics of Army air-assisted operations.

### ARMY ROTC, RANGER CHALLENGE TEAM

SEP 2024 – PRESENT

Selected to represent the Army ROTC program in a national Military Skills competition.

### NEW YORK STATE BOYS STATE

JUNE 2023

Selected to attend the New York State American Legion Boys State conference in June 2023.

---

## COMMUNITY SERVICE

### Homeless Shelter Volunteer

Feb 2025 - PRESENT

Volunteer at a local homeless shelter in Harvard Square, helping to clean living spaces, beds, and sort donations.

### PEER TUTORING

2022 - PRESENT

Volunteer tutor classmates and teammates in Chemistry, Physics and Geometry. Also help with SAT Preparation by tutoring both the math, reading and writing.

**YOUTH ADVISORY COUNCIL, NY STATE SENATOR SKOUFIS**

2022

Council Member. Applied for and selected to serve on the State Senator Skoufis's Youth Advisory Council. Served on the 26 person volunteer-based advocacy group of high school and college students for 3 months, participating in meetings and town halls with Senator Skoufis; culminating with a presentation of legislation for the Senator's consideration.

---
