PROFESSIONAL & LEADERSHIP EXPERIENCE

Chess and Pizza @ EJ's, *Founder & Director*

Teaneck, New Jersey | July 2025 – November 2025

- Founded and organized a youth chess program featuring structured lessons and competitive matches—successfully driving 50+ student registrations through two targeted ad campaigns
- Built a profitable, two tiered subscription model managing \$1,000+ monthly overhead for venue, food, supplies, and salaries
- Hired, trained, and directed 3 instructors to teach sessions, while personally handling client/parent engagement, lesson curriculum, and equipment remotely from Brown

WHP Global, *Business Intern*

New York City, New York | June 2025

- Conducted research and analysis on Toys“R”Us and Anne Klein retail environments, and developed a comprehensive proposal featuring solutions to enhance product offerings, optimize spatial design, and increase in-store engagement
- Worked alongside Co-Founder/Chief Talent Officer, gaining first hand insight into large-scale brand acquisition and management, as well as strategic team development and recruitment
- Supported the planning, coordination, and logistics of internal company events

International Chess Academy, *Operations Administrator*

Remote | October 2024 – August 2025

- Created online registration systems for ICA programs, crafted and implemented cancellation/referral policies, and conducted surveys to analyze customer feedback, providing the owner and entire team with critical insights and hands-on assistance across a wide range of operational areas
- Developed strong partnerships with multiple New Jersey libraries, expanding brand awareness and creating unique educational opportunities for youth in their communities through coordinated chess programs and events
- Overseeing and editing written and visual content on the ICA website, flyers, newsletters, as well as authoring email campaigns and articles

International Chess Academy, *Chess Coach*

Teaneck, New Jersey | June 2023 – August 2025

- Instructed students of varying ages/abilities in chess theory and strategy over the past few summers, fostering their critical thinking skills and an enthusiasm for the game
- Organized and led outdoor sports clinics, complementing the mental training of chess with fun physical activity and games

FINANCE & CONSULTING EXPERIENCE

Brown Consulting Club, *Project Analyst*

Providence, RI | September 2025 – Present

- Consulted for LiveNation to optimize user experience, working with the project team to perform in-depth industry research and develop actionable, data-driven recommendations that inform platform strategy
- Presented actionable solutions outlined in a professional slide deck to LiveNation executives, highlighting key product improvement strategies such as referral programs, enhanced UX/UI design and search functionalities, virtual community integration, and targeted marketing initiatives
- Collaboratively designed, distributed, and analyzed consumer surveys to capture user preferences and behavioral insights, directly informing recommendations and providing valuable data for LiveNation

Bruno Finance Society, *Cohort Member*

Providence, RI | September 2025 – Present

- Selected for the competitive freshman cohort, strengthening finance acumen and technical skills through training in valuation, financial modeling, and investment analysis, as well as hands-on pre-professional development
- Collaborated with a small team to present a stock pitch on Klarna to society executives and members, using in-depth research to evaluate business operations and long-term investment prospects

TAMID, *Fund Analyst*

Providence, RI | September 2025 – Present

- Deepened understanding of investment strategy and portfolio management through applied learning and structured fund education, developing critical technical skills and financial acuity
- Worked with a team to create professional stock pitch, winning the TAMID at Brown pitch competition.
