PROFESSIONAL EXPERIENCE

Financial Technology (FT) Partners

New York, NY
Summer 2025

Summer Analyst

- Used Alteryx to clean, pre-process, and cohort raw transactional data for live clients
- Conducted cohort and unit economics analyses, identified KPIs, and built LTV/CAC models in Excel
- Built and delivered a final presentation showcasing client trends and key performance metrics

Copley Equity Partners

Cambridge, MA
Spring 2025

Semester Intern, Project Lead

- Led and managed a team of 3 analysts; directed team progress and facilitated communications
- Performed in-depth market research of niche sub-industries using Capital IQ and PitchBook
- Crafted PowerPoint presentations highlighting research insights and potential investment strategies

LEADERSHIP AND ACTIVITIES

Harvard Alternative Investment Club (HAI)

Cambridge, MA
Spring 2025-
Present

Co-Director of Projects

- Run the Semester Internship Program, connecting ~30 HAI members each semester with buy-side firms
- Perform outreach, candidate vetting, participant recruitment, and team structuring to ensure smooth onboarding and project execution
- Contribute to strategic planning in weekly board meetings, developing initiatives to expand HAI's presence and impact on campus

Harvard Financial Analysts Club

Cambridge, MA
Fall 2024

Analyst: Traditional Finance & Quant Groups

- Participated in workshops, industry lectures, quant strategy games, and guest speaker sessions to build technical and financial analysis skills
- Placed 2nd overall out of 60+ teams in stock pitch competition with my teammates

Math Mentorship Program, Brunswick School

Greenwich, CT
2020-2024

President

- Directed a peer-to-peer math tutoring program; built and supervised a team of 23 tutors and designed lesson plans for 90+ students
- Developed training protocols contributing to 15% average improvement for 20+ students tutored

Student Government, Brunswick School

Greenwich, CT
2023-2024
