PROFESSIONAL EXPERIENCE

IGC Partners, *M&A Summer Analyst* Jun. 2025 - Aug. 2025

- Prepared financial statements and projections from trial balances, conducted potential buyer and market analyses and drafted counterproposals to advance sell-side M&A transactions in the Latin American agribusiness sectors
- Served as the primary liaison to the owner of an egg farm business to coordinate the analysis of the firm's flock productivity, lifespan, mortality rates, and financial outcomes
- Conducted a roadshow for an animal health manufacturer, updating financial information and communicating with potential buyers to discuss opportunities in the pipeline

Yale Alumni Fund, *Student Ambassador* Jan. 2024 – Jun. 2024

- Raised ~\$20,000 after conducting hundreds of personal interviews with donors to gather insights and engagement
- Analyzed donor demographics to identify alumni donation trends and annual cycles, providing fund leadership with data to best determine call hours and maximize fundraising potential

International Laser Class Association, *Regional Coordinator for São Paulo, Brazil* Jan. 2020 – Jun. 2023

- Secured over R\$5,000 in sponsorships from multiple Brazilian sailing equipment firms, reducing financial restrictions and increasing competition participation by ~30%
- Mentored over 20 sailors over 2 years in their transition to youth sailing, recommending ideal equipment choices and training time management
- Represented Southeastern Brazilian sailors on the National Council, advocating for more resources for youth training
- Managed a R\$10,000 budget for state and regional championships, maximizing resource allocation and event quality

EXTRACURRICULARS AND ACHIEVEMENTS

Yale Varsity Sailing Team, *Athlete* Aug. 2023 – Present

- Dedicate 30+ weekly hours to training, practice, and competition
- Placed 3rd at the 2024 College Sailing Singlehanded National Championship
- 2022 Lightning Youth World Champion, 2020 Youth Brazilian Champion
- Organized personal training and racing schedules; managed equipment transportation logistics for international events

TAMID Investment Group at Yale, *Board Member – Head of Investment Fund* Aug. 2024 – Present

- Connected quantitative financial analysis and risk assessments of the energy sector by analyzing growth potential, return consistency, and reliability considerations for solar and wind generation
- Screened and interviewed 20+ applicants to assess fit and strengthen team quality. Partnered with board leadership to design technical projects that enhanced both investment outcomes and member development

Yale Athletics Student-Athlete Advisory Committee, *Sailing Team Representative* Aug. 2024 – Present

- Representative for the 30-person sailing team to Yale athletic administrators, advocating for accountability and positive team culture. Participated in initiatives such as pen-pal with the New Haven Boys and Girls Club to promote sports
