PROFESSIONAL EXPERIENCE

Indus Growth Fund

Atlanta, United States

Private Equity Summer Associate

May 2025 – August 2025

- Worked on end-to-end deal execution by researching 120+ B2B SaaS acquisition targets valued between \$5M and \$25M, conducting detailed financial analyses, engaging with founders to evaluate strategic fit and growth potential, and building comprehensive LBO models across 3 verticals to support investment decisions and portfolio strategy
- Distilled financial models and market research into strategic investment committee recommendations to leadership

Fuelink

Limassol, Cyprus

Summer Financial Analyst – Energy and Carbon Markets

July 2025 – August 2025

- Modeled bunker pricing and EU ETS exposure across 200+ routes with annual fuel spend exceeding €100M, identifying €4M+ in savings through optimized procurement, hedging instruments, and emissions cost management
- Analyzed fuel benchmarks and carbon allowance trends, providing forecasts that shaped client procurement strategy

Anthrocene Advisors

New York, United States

Research Analyst

June 2024 – July 2025

Worked with Dr. Graciela Chichilnisky—IPCC Nobel Laureate and Kyoto carbon market architect—on adapting her May 2024—patented carbon-negative model framework for integration into global policy and investment systems.

- Analyzed CO₂ Framework adoption across 7 jurisdictions (EU, U.S., LATAM) by processing 300+ climate policies and evaluating 15+ carbon-pricing regimes linked to ~\$10 trillion in total GDP, using Python to identify regulatory gaps, assess policy alignment, and evaluate legal, economic and institutional scalability for global implementation
- Synthesized 200+ diverse sources, distilling high-impact insights for advisory reports to policymakers and investors
- Co-authoring an upcoming publication with Dr. Chichilnisky on globalization and its multifaceted impact on climate

Geek Ventures

New York, United States

Venture Capital Summer Analyst

May 2024 - August 2024

- Participated in full deal flow at a pre-seed/seed VC, reviewing 30+ startups, co-presenting 10+ pitches, and contributing to 2 deal closings with follow-on funding exceeding \$1M, offering hands-on exposure to VC processes
- Monitored 15 portfolio startups weekly, tracking operational updates, fundraising milestones, and financial KPIs
- Acquired hands-on financial modeling skills through early-stage startup analysis and equity investment evaluation

Stolitsa Group

Kyiv, Ukraine

Real Estate Intern

June 2022 - August 2022

- Interned at one of Ukraine's leading residential developers, holding 15% market share in capital's modern housing
- Developed financial models to evaluate ROI for residential projects, supporting analyses on ~\$10M developments

DISTINCTION & LEADERSHIP

- Ukrainian National Olympiad Gold Medalist in Mathematics and World History (2021) · Gymnasium “Consul”: Valedictorian, Student Body President, founder of 7 student-run national organizations; Outstanding Leadership & Service Award (2022) · Model UN Best Delegate at Brown University and NYU conferences (2023) · Led a humanitarian fundraiser in Kyiv (2022), coordinating relief efforts with 50+ volunteers to support displaced families
