EXPERIENCE

CEDRUS GROUP

First Position: Senior Associate 2022-2025 / Second Position: Vice President 2025, Chairman's Office

Hong Kong SAR, China
2022-2025

- Leveraged network in Europe, Latam and Asia to execute on US\$60m raise for proprietary long / short equity strategies
- Spearheaded end-to-end execution of inaugural China-Swiss Investment-Cooperation Forum in Beijing - sourced 20 Swiss biotech companies and organized investor roadshows earning promotion from Senior Associate to Vice President (Feb 2025)
- Originated and directed analyst and legal team to execute on advisory mandate for US\$10m off-market minority stake sale of Southeast Asian publicly listed metals mining company to European family office consortium
- Cultivated relationship with Spanish single-family office, combining deep personal connection, persuasive engagement, and rigorous analysis to secure US\$640m financial advisory mandate for China and ASEAN equity allocation
- Engineered proprietary investment deal with Spanish ophthalmology firm, persuading management and preparing transaction documents to inject IP into new China joint venture to launch clinical trials and engage local partners
- Secured trading desk rotation, strengthening client servicing skills through enhanced grasp of equity trading mechanics
- Championed creation of internship program, securing Chairman's approval and leading recruitment, training and mentoring

ENERGY INFRASTRUCTURE PARTNERS

Private Equity Analyst

Zurich, Switzerland
2021-2022

- Originated and contributed to all aspects of bidding process (due diligence, negotiation, valuation, investment committee material creation, fund raising etc.) for global infrastructure deals, leading to being recognized as top-bucket analyst
- Formed part of deal team and led due diligence assignments, acting on personal relationship with Spanish Senior Advisor to shape bid strategy and consortium positioning on successful bid for US\$0.9bn 25% Repsol Renovables stake
- Took charge of signing and closing process on US\$50m Italian solar PV portfolio in consortium with KKR-owned ContourGlobal, intermediating between compliance and sellers to satisfy all conditions precedent in timely manner
- Managed 5 Spanish concentrated solar power plants, totaling 250 MW, working closely with plant management to oversee reporting, contract negotiations, modelling etc., becoming first analyst to hold Lead Asset Manager role on asset

NOMURA GREENTECH

Investment Banking Analyst

Zurich, Switzerland
2020-2021

- Collaborated with Chairman of Nomura Greentech EMEA to launch new AgTech coverage vertical, leveraging network to originate opportunities, directly leading to securing capital raise mandate in insect protein sector
 - Led coordination between Zurich and Paris offices, leveraging language, analysis and material preparation skills to support sell-side advisor deal team on sale of US\$80m stake in French solar energy producer Corsica Sole to Mirova
 - Developed financial models and sector analyses across Low Carbon Power and AgTech sectors, liaising across Nomura's senior ranks to create pitch materials and engaging with C-suite executives, contributing to successful mandate wins
-
