## EXPERIENCE

### Brigham Young University

Provo, UT

#### Professor Paul Kerry, Department of History

Research Ass't, Jan. 2025 – May 2025

- Synthesized thousands of pages of 19th-century German diplomatic correspondence, identifying key political and cultural themes. Analyzed historical context of diplomatic strategies and governmental motives.

#### Marriott School of Business, Management Department

Office Ass't, July 2022 – May 2024

- Provided administrative support for 50 faculty members in Strategy, Entrepreneurship, and Human Resources.

#### Dr. Barry M. Willardson, Department of Chem. & Biochem.

Research Ass't, Aug. 2021 – July 2022

- Investigated cellular signaling complex assembly mechanisms with potential medicinal applications for neurological and genetic disorders.

### All-Party Parliamentary Group for International Freedom of Religion or Belief

London, UK

#### Intern

Sept. – Dec. 2024

- Drafted Written and Business Questions, speeches, and official correspondence for Members of Parliament.
- Composed the inaugural All-Party Parliamentary Group for Freedom of Religion or Belief Annual Report, synthesizing stakeholder input and policy priorities.
- Coordinated with NGOs and civil society to organize parliamentary advocacy events.
- Recruited new Members of Parliament to the APPG following the 2024 UK general election.

### Religious Freedom Institute

Washington, DC

#### Intern

May – Aug. 2024

- Participated in drafting amicus briefs in religious freedom-related cases, including U.S. Supreme Court cases. Researched sociological and demographic trends for policy briefs on religious freedom.
- Assisted in planning and outreach for Statesmanship and Religious Freedom Seminars.
