EXPERIENCE

| | |
|---|------------------------------|
| Centerview Partners — New York City, New York | Jun. 2025 – Aug. 2025 |
| <i>Investment Banking Summer Analyst</i> | |
| • Developed first-round bid materials for the active buy-side engagement of a regional bank valued at approximately \$4bn by analyzing financial statements, precedent transactions, and merger models to support senior bankers in advising the client on bid structure and consideration form | |
| • Produced pitch and financial materials of acquisition targets for a digital infrastructure business worth approximately \$50bn by consolidating earnings reports and analyzing precedent transactions to support and inform strategic rationale for the client | |
| • Prepared market overview and strategic advisory materials for a beverage business with approximately \$800mm in revenue by assessing consumer trends, competitive dynamics, and the preliminary valuation thesis to assist senior bankers in identifying actionable expansion opportunities | |
| Bank of Oklahoma Financial — Tulsa, Oklahoma | Jan. 2025 – Mar. 2025 |
| <i>Quantitative Finance Intern</i> | |
| • Worked with the Asset Liability Management team to develop a comprehensive deposit-behavior analysis using R and Python to calibrate weighted-average-life and deposit runoff assumptions across multiple interest rate environments | |
| • Assisted the Institutional Funding team in stress testing short-term liquidity levels under various runoff scenarios | |
| Bank of Oklahoma Financial — Tulsa, Oklahoma | Nov. 2023 – Mar. 2024 |
| <i>Quantitative Finance Intern</i> | |
| • Streamlined \$700mm fixed-income portfolio restructuring using securities selected by my optimization program | |
| • Optimized fixed-income securities portfolio income and book yield while minimizing duration risk with R scripts implementing the Simplex Algorithm | |
| • Generated hedging strategies for securities portfolio and priced option contracts using the Black-Scholes model, Monte Carlo simulations, and Bloomberg Terminal | |
| TuckLab: Entrepreneurship — Hanover, New Hampshire | Apr. 2023 – May 2023 |
| <i>Tuck School of Business at Dartmouth</i> | |
| • Used Excel in conjunction with case studies to construct valuations of startups and visualize financial projections | |
| • Pitched minimum viable product financial projections to investors, and the group was awarded seed money to continue project | |

LEADERSHIP & ACTIVITIES

| | |
|---|----------------------------|
| SEO Career — New York City, New York | Dec. 2023 – Present |
| <i>SEO EDGE Participant</i> | |
| • Receive coaching and mentorship from investment bankers to achieve targeted interviews and build technical skills | |
| • Complete investment banking-specific training focused on developing technical skills and industry knowledge | |
| Dartmouth Finance Society — Hanover, New Hampshire | Sep. 2022 – Present |
| <i>Head of Mergers & Acquisitions</i> | |
| • Write a newsletter of recent M&A transactions and create presentations analyzing successful past acquisitions | |
| • Lead education sections on current M&A market, theories of valuation, and strategic reasons for the transaction | |
