EXPERIENCE

WomanStats Project Remote | Research Assistant

Providence, Rhode Island | September 2025 – Present

- Contribute to the most comprehensive cross-national database on the status of women.
- Compile qualitative and quantitative data on over 300 indicators in 170 countries regarding links between the treatment of women and national security.
- Review scholarly works to extract code, and scale data on women's rights, security, and social conditions.
- Support empirical research on the relationship between the societal roles of women and state stability and behavior.

Wollmuth Maher & Deutsch LLP | Summer Law Clerk

New York, New York | May 2023 – August 2025

- Researched factual viability of cases involving potential violations under the False Claims Act.
- Assisted with drafting memoranda analyzing legal issues associated with whistleblower complaints.
- Surveyed potential claims concerning Medicare Advantage across 50 states and summarized key differences among the states regarding the coverage provided by Medicare Advantage.
- Gained insights into the judicial process by observing live court proceedings and participating in post-hearing debriefings.
- Collaborated in strategy meetings on the completion of fact discovery and the development of evidence required to prove antitrust claims.
- Contributed to the development of winning case strategies *via* thorough legal research and fact investigation.
- Streamlined workflow for supervising attorney with effective document management and organization techniques.
