+1 (845) 754-1318 nws35@cornell.edu

## Education

<b>Cornell University</b> <i>B.S. in Animal Science</i>	<b>Aug 2022 – Present</b> <i>Ithaca, NY</i>
• Extensive coursework in Chemistry, Biology, and Animal Science, concentrating in Dairy Cattle Management • GPA 3.16	

<b>Valley Central High School</b> <i>Advanced Regents Diploma with distinction in Science and Mathematics</i>	<b>Sep 2018 – Jun 2022</b> <i>Montgomery, NY</i>
--	---

## Animal and Veterinary Experience

<b>Research assistant @ Cornell University,</b>	<b>October 2023 – present</b>
• Supervisors: Dr. Julio Giordano(Cornell University), Sebastian Aguero	
• Description: I have been a part of the Dr. Giordano's Dairy Cattle Biology and Management Laboratory since I was a sophomore. This summer, I assisted in data collection from Cornell's Ruminant Center, and data processing. My responsibilities included preparing the lab cart, drawing blood, and taking dictation during ultrasound.	
<b>Volunteer, Shadow @ Catskill Veterinary Services</b>	<b>May 2023 – Aug 2023</b>

• Supervisors: Dr. Sarah Wright, Dr. Joseph D'Abbraccio	
• Description: I observed a wide array of surgical and imaging procedures while shadowing veterinarians and technicians. I developed skills necessary to handle and restrain animals for vaccinations and physicals.	

<b>Handler and Educator @ Cornell Raptor Program</b>	<b>Oct 2022 – Present</b>
• Description: I have been responsible for husbandry, training, feeding, and presenting birds of prey used for education.	

<b>General Falconer @ New York State Falconry Association</b>	<b>Jun 2021 – Present</b>
• Description: Involvement in programming for annual Finger Lakes meet	

## Additional Experience

<b>Assistant Choir Director @ Oratory of Sts. Gregory and Augustine, MO</b>	<b>Jun 2024 – Aug 2024</b>
• Responsibilities: leading sung prayer during Mass and the Divine Office	

<b>Eagle Scout @ Boy Scouts of America</b>	<b>Nov 2010 – Jul 2022</b>
• Responsibilities: Leadership positions included Patrol Leader, Den Chief, OA Representative, and Bugler. Executed Eagle project entailing the production, transportation, and installation of 2 tons of capstones on a stone bridge within the Hudson Highlands Land Trust; totaling over 600 man hours
