

# David Hejduk

(303)-990-7806 | davidhejduk@college.harvard.edu

## EDUCATION

### Harvard University

*Bachelor of Arts in Economics & Government*

**Cambridge, MA**

Sep 2023- May 2027

- GPA: 3.93 / 4.0, John Harvard Scholar Award (Top 5% of Class)

- Athletics: Defenseman on Harvard's Men's Ice Hockey team, competing in Division 1 NCAA Athletics

## EXPERIENCE

### KKR

*Incoming Summer Analyst—Infrastructure Team*

**New York, NY**

June 2026 – August 2026

### Quent Capital

*Equity Research Analyst*

**New York, NY**

June 2025 – August 2025

- Analyzed 20+ companies in the small-cap space, evaluating financials, competitive advantages, management teams, industry trends, competition, and future prospects
- Modeled valuations of companies to determine price based on discussed assumptions, and evaluated the opportunities
- Discussed investment ideas with the portfolio manager to determine opportunities, using a rational and systemic approach
- Monitored assets within the portfolio for event updates and tracking the development of the investment thesis

### RedCloud Capital

*Summer Analyst*

**Denver, CO**

June 2024 – August 2024

- Analyzed 25+ potential deals of companies with \$3MM to \$25MM EBITDA by evaluating confidential investment memorandums and assessing alignment with the firm's investment criteria from industry, business operations, financial profile, ownership dynamics, and equity commitments
- Presented findings on potential deals to the investment committee weekly and involved in discussions
- Involved in formal board meetings and regularly attended executive discussions with current portfolio company management teams to review financial performance and corporate strategy
- Assisted in creating LBO models and scenario analysis for potential acquisitions to assess the feasibility of investments

### Northwood Investors

*Summer Analyst*

**Denver, CO**

June 2023 – August 2023

- Researched multiple \$50MM+ commercial real estate investment opportunities alongside analysts
- Helped in analyzing and executing commercial leases
- Analyzed \$100MM+ properties using discounted cash flow models to find valuations for potential acquisitions
- Underwrote a potential commercial real estate leveraged buyout worth \$40MM. Determined the investment would yield 15% IRR by analyzing the property, future income streams, leasing assumptions, and financing source

## ACTIVITIES

### Harvard Men's Varsity Ice Hockey (NCAA D1)

**Cambridge, MA**

September 2023 – Current

*Defenseman*

- Spend 30+ hours a week training/competing, learned key time-management skills balancing athletics with academics
- ECAC All-Academic Team, awarded for academic achievement while competing in the ECAC hockey conference

### Charles River Growth Fund

**Cambridge, MA**

September 2023 – Current

*Member*

- Create and present investment pitches to the investment committee for decisions regarding the student-run fund
- Use technical and business analysis to provide investment theses on potential trades
